

## Elementary

Grades: 3-5

### Junior Football Manager

Have a go with our games that puts you in charge of the finances of a junior football team and discover the impact your financial decisions can have. The goal of the game is for you to manage the finances of the club for six seasons and keep some money in the account. If you don't keep the finances healthy the club could go bankrupt. Of course, just keeping the club running for six seasons is one achievement - real success is taking the club from Division 3 to becoming the Champions of Division 1!

#### FAQ

##### **How easy is it to get started?**

**EASY! No registration is required. There is a recommended Tutor Notes page on the home page. NOTE: THIS IS A UK SITE SO MONEY IS IN POUNDS!**

##### **Is this website a stand-alone lesson or is it best used as a supplement?**

*This supplemental site supports elementary students' understanding of money, budgets, spending and the risk incurred when opening and operating a business. No site should serve as the primary source of instruction. Basic background is required for any online interactive gaming or the instructional meaning is lost.*

##### **How much time will my students need to complete the activity? Also, is this one activity or a series of activities that must be completed as a whole?**

*This game can be played multiple times with multiple outcomes. The game can be played within one class period. The support of the teacher economic lesson plans will ensure student understanding prior to gaming.*

##### **What kind, if any, assessments or pre-/post-testing is provided?**

*None*

##### **Are there any supplements or lesson extensions provided for the classroom?**

*There are teacher downloadable lessons, student downloadable lessons, and parent downloads.*

**What grade levels would benefit from this website?**

*This website is best used with students grades 3-5. Dialogue boxes are shown but also read aloud making this site suitable for all learners.*

**What topics are covered by this website?**

*Students will be exposed to earned income, saving, spending, goods, services, consumer, producer, decision-making, choices, shopping, inflation, budgets, credit, interest, and profit.*

**What Kentucky Core Content does the website address?**

The site meets all the requirements for Kentucky Core Academic Standards (KCAS) for the economics strand of social studies.
